

**National Sun Yat-sen University**  
**Department of Photonics**

**Threshold Criteria for Faculty Promotion Application**

May 30, 2012 Amended and approved at the 11<sup>th</sup> department affairs meeting in Academic Year 2011.

Dec. 5, 2012 Amended and approved at the 3<sup>rd</sup> department affairs meeting in Academic Year 2012.

- I Faculty members who published five or more papers in SCIE journals as the first authors (except students) or as the corresponding authors in the past five years may apply for promotion. The assistant professors seeking to promote to the position of associate professors may submit their works derived from their doctoral dissertations (excluding the representative works).
  
- II. The assistant professors who have hosted three or more general research projects of the National Science Council (NSC) in the past five years and have published three or more papers in the SCIE journals in the past five years as the first authors (except students) or as the corresponding authors may apply for promotion.
  
- III. The above-mentioned representative works must be published in the name of Sun Yat-sen University within three years. The faculty members who would like to apply for promotion to a higher rank must meet the requirements set forth in Article 1 or Article 2 mentioned above.
