

## National Sun Yat-sen University Department of Electrical Engineering Regulations for Encouraging Students to Participate in English Proficiency Testing

Issued by the Department Scholarship Meeting on December 13, 2007.

Amended and approved by the Department General Meeting on January 18, 2008.

Amended and approved by the Department Scholarship Meeting on November 03, 2010.

Article 1: The regulations are set to enhance the English ability of students in the Department of Electrical Engineering.

Article 2: The regulations are applicable to the master students of the Department who take the English proficiency test off-campus on their own. Test types include GEPT, FLPT, CSEPT, Cambridge Main Suite, BULATS, TOEIC, TOEFL, and IELTS. The department will subsidize half of the application fee required for the test. Students who apply for the subsidy should submit the original receipt of the application fee and proof of passing the test to the department within the year.

Article 3: The scholarship is funded by the Department. Each student can only apply twice during the period of study in the department.

Article 4: These regulations are ratified through the Department General Meeting and the University President. Any amendments are subjected to the same process.
