Article 1: Mission

The Department of Electrical Engineering Alumni Association Board of National Sun Yat-sen University (hereinafter referred to as "the Association") has established to repay the cultivation of the Department of Electrical Engineering (hereinafter referred to as "the Department") and to enhance the friendship between the Association and the students, and to encourage the students to actively participate in the activities of the Department and the Association, to be enthusiastic about public welfare and to care about the society.

Article 2: The quota and amount of the scholarship are as follows.

The scholarship includes eight parts :

1. Exceptional Scholarship : To reward students for outstanding performance in national or international professional competitions. The amount of the scholarship is NT\$50,000 per student, based on a total of three students in the Department. If necessary, there will be vacancies.
2. Outstanding Scholarship : To reward students for outstanding performance in off-campus professional competitions. The amount of the scholarship is NT\$30,000 per student, based on a total of three students in the Department. If necessary, there will be vacancies.
3. Excellent Scholarship : To reward students for outstanding performance. Two students in each year of the bachelor's degree program, four students in the master's and doctoral degree programs, for a total of 12 students. The amount of the scholarship is NT\$10,000 per student, priority will be given to those who have not received other scholarships. If necessary, there will be vacancies.
4. Project-Oriented Competition Scholarship : To reward students for participating in College of Engineering Project-Oriented Competition. The prizes will be awarded to the four for the best, four for the second place, and eight for the third place. If necessary, there will be vacancies. The best work will be awarded in the amount of NT\$10,000 each, NT\$5,000 each for the second place, and NT\$2,000 each for the third place.
5. Study Subsidy : Assisting students in major emergencies to attend school with peace of mind. Each student will receive a maximum subsidy of NT\$5,000 per month, and the recipient will be required to volunteer 16 hours per month at the department office to assist in departmental and the Association matters. Maximum 3 months per approval.
6. Work-Study Grants : Payments in accordance with the standards set by the Ministry of Labor.
7. Tuition and Fees Waiver for Freshmen to Seniors : The maximum amount of grants is NT\$45,000 per semester, and the grants will be allocated according to the number of students. If a student who has taken a break from school, the grants will stop when he/she resume his/her studies.
8. International Exchange Grants : The maximum amount of grants is NT\$60,000 per semester, and the grants will be allocated according to the number of students. If a student who has taken a break from school, the grants will stop when he/she resume his/her studies.

Article 3: The eligibility provisions of Article 2 are as follows.

1. Item 1 to item 5 are limited to students enrolled in the bachelor's program, master's program and doctoral program in the Department.
