

Guidelines for Gender-Neutral Restroom Installation

History of Amendment and Approval:
1st Gender Equity Committee Meeting of 2022-Academic Year on 2023-05-02

1. In accordance with the Gender Equity Education Act, National Sun Yat-sen University (hereinafter referred to as the University) has formulated the Guidelines for Gender-Neutral Restroom Installation (hereinafter referred to as the Guidelines) to strengthen gender-friendly awareness and respect diverse gender characteristics and gender identities, thereby fostering a safe and welcoming campus environment.
2. The University shall prioritize public dining spaces and sports venues as installation sites of gender-neutral restrooms.
3. New buildings and existing restroom renovations should incorporate gender-neutral restrooms during planning and design, with at least one gender-neutral restroom in each building.
4. Other building users and management units that have a need to install gender-neutral restrooms and have raised relevant funds may request assistance from the Office of General Affairs to implement the installation.
5. The planning and design of gender-neutral restrooms on campus should take into account important principles such as safety and privacy; clear signage shall be installed at the entrance.
6. The guidelines are implemented after being passed by the Gender Equity Committee Meeting and approved by the President of the University. The same procedure shall apply to future revisions or amendments.
